1 TH Bingen App

The digital student ID card can be accessed in the TH Bingen app. The app is available for Android devices in the Google Playstore or for Apple devices in the App Store.

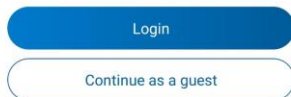

After downloading and opening the app for the first time, you will be prompted to either log in or continue in the "Guest" role.

Students and employees of TH Bingen please select "Login" here.

Login with your university account to gain access to all functionalities.

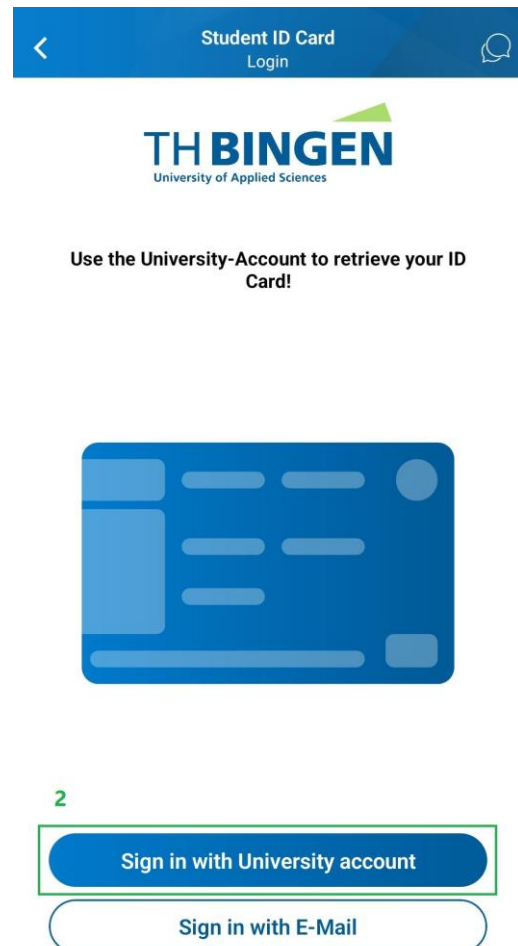

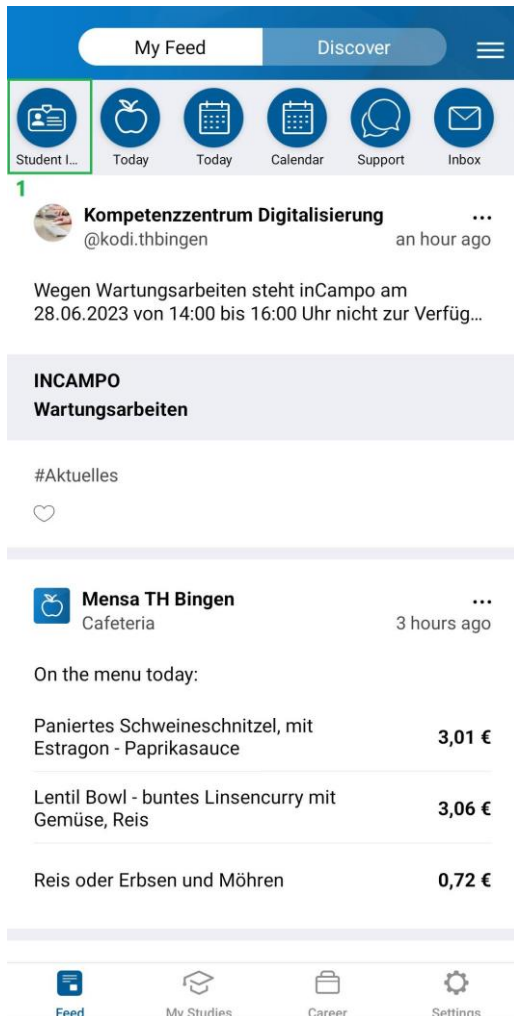

Next, you will be presented with the familiar Schibboleth login screen. Enter your username and password here.

Click on "Anmelden".

A screenshot of a web browser showing the login page for TH Bingen. The page includes the TH Bingen logo, a login form with fields for "Username" (containing "max.mustermann") and "Password" (masked with dots), a checkbox for "Clear prior granting of permission for release of your information to this service.", and a blue "Login" button. Below the form is the "uninow" logo and a link to "Role Service of UniNow to verify your university role". At the bottom, there are links for "Forgot your password?" and "Need Help?".

2 Digital Student ID

1. In the TH Bingen app, click on the "Student ID" module.
2. Click on the button "Login".

3. Enter your TH Account user data in the login screen.
4. Click „Anmelden“.

It may take a moment to log in.

5. After you have logged in, please accept the user instructions and the consent form. Please note that this is always checked by default after the first login.
6. Once you have accepted all the instructions, the "Next" button will turn blue. Please press it.

The first screenshot shows the login screen at login.th-bingen.de. It features the TH Bingen logo and the text 'Anmelden bei TH Bingen UniNow'. There are two input fields: 'Benutzername' (Username) with the value 'max.mustermann' and 'Passwort' (Password) with masked characters. Below the fields is a checkbox for 'Die zu übermittelnden Informationen anzeigen, damit ich die Weitergabe gegebenenfalls ablehnen kann.' and a blue 'Anmelden' button. The second screenshot shows the 'Student ID Card Important Notes' screen. It has a blue header and a list of instructions. The first instruction is selected with a blue checkmark. The third instruction is also selected. The 'Next' button is blue. The third screenshot shows the same 'Student ID Card Important Notes' screen, but the 'Next' button is now blue and highlighted with a green box.

After that, your Digital Student ID will be displayed.
